Fabric and color

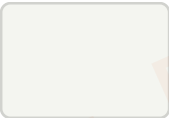

One body fabric and one rib, and every color on the hoodie matched to a Pantone TCX code.

Weight	380 gsm
Composition	100% cotton
Inside	Loopback, left unbrushed
Rib	1×1 rib, 7 cm finished, dyed to match
Garment wash	None. Fabric used as dyed

Jet Black · 19-0303 TCX

HOW TO MEASURE

HC	Lay flat, measure straight across 2.5 cm below the armholes, edge to edge.
BL	Measure straight down from the high point shoulder (HPS, where neck meets shoulder) to the bottom hem.
SW	Measure from the left shoulder point to the right shoulder point.
SL	Measure from the shoulder point along the outer sleeve to the cuff edge.
BI	Lay flat, measure 2.5 cm below the underarm, perpendicular to the sleeve center line.
HR	Lay flat, measure across the hem rib edge, unstretched.
HD1	Measure from the hood base seam (at the neck-shoulder point) up to the top of the hood.
HD2	Measure from the hood opening edge to the widest point at the back hood seam.

★ Critical measurement. M is the base size. This is a starting spec: we confirm the final numbers on your fit sample. The full chart, XS to 3XL with all 15 points, is at unithundred.com/tech-pack/hoodie/

Artwork and decoration

Two artworks: a small embroidery on the left chest and a large two-color screen print centered on the back.
